

## Rev. Mathew and Beena Thomas

Ezra Canada Representative for the GTA (Greater Toronto Area)

After moving to Canada in 2007, with their two children, Mathew & Beena met Rev. Roy Trepanier and the Ezra Canada Ministry at Missionfest in Toronto where they had a display promoting and explaining the Ezra ministry. Being lovers of Israel they immediately felt a bond of fellowship with Rev. Roy & Mariette, and, before long, they had “adopted” them as their “Canadian” parents. Since that time, Mathew and Beena have become great supporters of Ezra Canada, even attending many of Rev. Roy’s speaking engagements at various churches with Mathew leading worship with Hebrew songs before Rev. Roy would take the pulpit to preach the message and ministry of Ezra Canada. Now, about 8 years and two more children later, Mathew heard the call of the Lord from an itinerant evangelist to become a part of the Ezra ministry during a special church service. After much prayer and preparation, Mathew was ordained as a Minister of the Gospel early in 2017 and is now the

Ezra Canada Representative for the Greater Toronto Area (GTA). He will be preaching the message of God’s great love for His Chosen people, the Jews, and the Christian’s responsibility to pray for and support the “apple of His eye” in Indian, Pakistani and Sri Lankan churches, and raising the funds that are so critical in Rescuing, Restoring and Returning the Jews of the Diaspora to their Promised Land of Israel. We welcome them lovingly and look forward to seeing how the God of Abraham, Isaac and Jacob will bless and use them in His end time ministry of Ezra Canada.
